# Chamber has alternative to South Street closure

MEMBERS of Bridport Business Chamber are calling on the town council to use the £50,000 earmarked for a trial closure of South Street on improvements in the town.

A consultation to gather residents and business owners' views on the closure and pedestrianisation of the top of South Street, as well as views on town centre speed limits, is currently underway.

The town council state that the possible closure and pedestrianisation of the street from Gundry Lane is an issue that is often raised, and the council included a proposal to consult on the options for South Street in its current town plan. Councillors feel that to accurately

assess the impact of the closure of South Street, a temporary trial closure for up to three months should be considered.

Dorset County Council, the highway authority, will have to approve any changes, but if it goes ahead, it is estimated that order making and signage could cost between £20,000 and £50,000.

Members of Bridport Business Chamber do not support the trial closure, which could take place from March to May next year, as it could cause potential risk to safety, more traffic congestion and the closure of independent shops.

They do however feel that if the town centre speed limit is reduced to 20mph, that will have a positive effect.

Chamber president Robert Mühl, of Ocean Bathrooms, said: "We would like the town council to focus instead on improvements to

car parking, park and ride, public transport and town centre signage – any of which we feel would be better use of this public money.

"It is crucial to think about where the extra traffic will go if access to the top of South Street is removed – any town centre road closure puts huge stress onto alternative routes.

"A member of the chamber recently recorded over 3,000 vehicles using South Street over the course of just one day and these will have to go somewhere else if South Street is closed."

The chamber feels alternative routes such as the A35/Sea Road South, Gundry Lane, Skilling and Victoria Grove are not fit for purpose to take extra vehicles, especially lorries, and will soon become overwhelmed, causing even more traffic congestion in the town centre.

With Gundry Lane housing a preschool, garage and removal company, as well as being a pedestrian route for locals and visitors walking to the town centre, the chamber are concerned that safety could be severely comp-

romised, especially as the lane has a narrow pavement and visibility is limited for vehicles turning into it.

In addition, owners of the town centre based companies have expressed fears for their future, claiming that if the proposed closure goes ahead, independent shops could close if they experience a drop in revenue.

The chamber's full response can be found at [www.bridportbusiness.org.uk](http://www.bridportbusiness.org.uk)

Town clerk Bob Gillis said: "The town council has been keen to ensure that the chamber and town centre businesses were aware of the consultation and were given every opportunity to comment.

"The town council attended meetings of the chamber before the consultation started and local town centre businesses were notified when it got underway.

"The town council wants to hear from all businesses, local organisations, statutory agencies, residents and visitors as part of the consultation, which is open until October 1st.

"The chamber's comments and all the responses received will be fully considered by the town council.

"The evaluation report will be published in October and then the town council will decide whether to make a recommendation to the highways authority, Dorset County Council, on all the matters in the consultation."

More information can be found at [www.bridport-tc.gov.uk](http://www.bridport-tc.gov.uk) where the questionnaire can also be completed, with hard copies also available from Bridport Library, Mountfield and Bridport Tourist Information centre.

There will also be an opportunity to complete it and find out more at the town council's stand in the Bridport marquee at the Melpash Show on Thursday (August 24th).

■ **SUPPORT for a special place – Clare Ash is on a fundraising mission for Weldmar**

# Clare on a fundraising mission for Weldmar

MOTHER-of-three Clare Ash says she felt so helpless when her cousin was diagnosed with cancer, that she signed up for Weldmar Hospicecare's Iceland trek.

A few years later and she has raised nearly £12,000 for Weldmar, having been bitten by the fundraising bug.

Clare, 46, is originally from Chickerell, but now lives in Redlands. She lost her mum Carol-Ann Hains in July, and this has spurred her on to raise even more.

She said: "I took on the Iceland trek for Weldmar because, although my cousin was in Warwickshire, I wanted to do something for a hospice and it felt right. My courageous cousin Wendy Blackman was always seeking her next adventure and Iceland was on her places to go list - I only learned this once I signed up to take part.

"Iceland was an incredible experience as the terrain was so varied, challenging and yet therapeutic. I felt overwhelmed by how privileged I was to see the exceptional Northern Lights and at the same time raise money for Weldmar. I saw them twice in the ten days we were there and I was like a kid with the snow. I was so excited, and made a snowman and everything!"

"I felt so angry and frustrated when Wendy was fighting cancer and needed something to do that would help. It was an amazing experience. I made some great friends - we all had so much in common.

"After the trek I was desperate to do something else and signed up for Weldmar's Mont Blanc trek."

Clare, also known as 'Clarey Fairy', has organised a garden party and sponsored walks as well as themed bingos and fancy dress 80s nights in Chickerell, following in the footsteps of her mum, who was instrumental in fundraising for Chickerell's Willowbed Hall and fought to get the area a youth club. She's now forming plans for an event in Carol's memory, called 'Mamafest' - a family fun day with music, refreshments and plenty to entertain.

She said: "I'm excited and delighted to continue my fundraising mission as I passionately believe Weldmar is an invaluable and worthy cause. We would have loved mum to go into Weldmar's care, but she got so ill so quickly there was no time.

"It's a wonderful place - calming, not clinical at all. People are made so comfortable and you can visit people at any time. It's a home from home. And there is so much extra offered, such as family support, support for children. They will do anything to fulfil people's wishes and make special memories for them.

"A family friend uses Trimar Hospice's day services in Weymouth, and he's gone from having quite a reclusive life, not really socialising at all, to really looking forward to going there. He gets such a lot from it."

● **WELDMAR** has some places still available for their October 2018 overseas challenge to Nepal - which includes two days making a difference at a Kathmandu hospice care facility. You can learn more online about the Nepal Trek at [www.weld-hospice.org.uk/nepal](http://www.weld-hospice.org.uk/nepal) or by calling fundraising on 01305 261800.

## Be aware of the fire risk from your tumble dryer

RECENT wet weather has meant lots of households with tumble dryers have probably had them working overtime.

Dorset & Wiltshire Fire and Rescue Service has issued some timely advice on how to avoid the risk of fire.

Station Manager Graham Kewley said: "Tumble dryers contain powerful motors with fast moving parts that get very hot. If you don't clean and maintain your machine, excess fluff or lint can build up over time and catch fire."

There are a number of warning signs to watch out for:

- Does your tumble dryer smell of burning?
- Are your textiles taking longer to dry?
- Do the dried items feel hotter at the end of the cycle?

● Does the external vent flap stay shut when the dryer is on?

If you notice any of the above, clean the filter and check the vent pipe immediately.

The service's other top tips for staying safe include:

- Always make sure your dryer is in good working order;
- Don't overload the machine;
- Don't leave the dryer on for longer than you need to and don't use it at night while you are asleep;
- Keep the lint filter clean and 'defluff' the vent pipe and the back of the machine regularly. Static electricity can quickly cause a build-up of dust around the ventilation and heating elements, which can then catch fire if it gets hot.

# Warning over bus route changes

THE West Dorset Area Transport Action Group (WATAG) are warning bus users that there will be changes to bus routes affecting Bridport, Beaminstor and Lyme Regis.

While they do not have full details of the changes, the 40 be-

tween Bridport and Yeovil, X51 between Axminster and Dorchester, X52 between Bridport and Exeter and X53 Between Axminster and Weymouth will be affected.

Due to the late receipt of information from the main bus oper-

ators, WATAG has been unable to produce its bus times leaflet for this September, prior to the timetable changes.

They are hoping to have more information about the changes a week before they take effect.

In the meantime they are urging travellers who use these routes to contact the relevant bus companies.

For service 40, call 01305 224537 and for X51, X52 and X53, call 0345 602 0121.

Countries represented in the society's 2017/18 programme include New Zealand, Brazil, France, Romania, Sweden and more.

A spokesperson for the film society said: "There are many films released each year.

"Difficult choices have to be made by the committee, who spend many hours watching, deliberating and deciding on which ones will make the cut. This season's selection is diverse and covers a range of genres."

The season kicks off with Hunt for the Wilderpeople on September 26th, a New Zealand adventure, comedy-drama film about a national manhunt for a rebellious kid and his foster uncle who go missing in the wild New Zealand

bush.

## Treasure trail holiday fun at Groves Nurseries

GROVES Nurseries in Bridport and Little Groves in Beaminstor have created a fun treasure trail for children as part of their school holiday wildlife challenge.

The challenge involves four weekly projects to attract and sustain wildlife in local gardens.

The treasure trail map can be picked up at both stores and there are clues to help children find the seven squirrels hiding in Little Groves, or the seven hedgehogs at Groves in Bridport.

On finding the creatures, there will be a letter next to them that has to be written in a box on the map, and when all seven letters are found, it reveals a secret word that enters the hunter into a com-

petition to win a children's garden hamper and tickets to Abbotsbury Children's Farm.

Charlie Groves said: "We saw how much children loved our reindeer treasure trail at Christmas and thought this would be fun for them as part of a wildlife challenge that was both educational and practical, and if people would like to see the bug houses we built as a guide for children to create their own, they will be at our stand at the Melpash Show."

Children can enter both trials, but entries must be in before Friday, September 8th, when the draw will be held and the winner announced.

## Town guide launch

■ **BRIDPORT** Town Council is pleased to announce the arrival of the new official Bridport and West Bay Town Guide for 2017-2019.

The guide is a source of information for residents and businesses in the town, as well as visitors.

It showcases everything that makes Bridport and West Bay special, from its history and heritage through to the regular weekly markets, and the many other attractions and events in the area.

For residents, it lists many of the local clubs, associations and recreational activities available for adults and young people, as well as detailing the responsibilities of the town council and sections on education, health and social services.

For visitors, it highlights the attractions, lists accommodation and places to visit.

Cllr Sarah Williams, leader of Bridport Town Council, said: "I am delighted that the new ex-

panded edition of the Bridport and West Bay official guide and map has now been published.

"Written by local people, it is a brilliant insight into what goes on in Dorset's eventful town and is going to be an indispensable resource for residents and visitors alike."

"In addition, it complements all the other information that we have available in the Tourist Information Centre and the new Bridport and West Bay web site, which is becoming the global window for the town."

"We thank everyone that has supported its production, and in particular, the businesses that have advertised within it and Kathy Dare of Kayenne Marketing."

The new town guide is available from Bridport Tourist Information centre for £2, but a copy will be given free to all residents and businesses in DT6.

It is also available to view at [www.bridportandwestbay.co.uk](http://www.bridportandwestbay.co.uk)

# Annual Parkinson's fundraiser returns to The Ropemakers

JOHN and Geraldine Baker, landlords of The Ropemakers pub, will be hosting their now annual birthday bash/party for Parkinson's UK on Sunday, August 27th.

Music and frivolity will start around 3.30pm, with local bands including DJ Santa, Elfentale, Rosie Smith, Garry Smith Trio, Tori Reed, Tall Travelling Troubadours and headliner Shelby's Elbows.

All proceeds will be given to Parkinson's UK and there will be a barbecue, face painting and raffle, with prizes donated by local suppliers.

This event started three years ago when the

pub celebrated its 25th year of being The Ropemakers. It has proven a really successful party, raising more than £2,000 on the day.

John was diagnosed with emphysema five years ago, and three years ago was also diagnosed with Parkinson's disease. Although he is determined that this will not affect the running of the pub, some things will inevitably change.

He sees this as an opportunity to raise money to help in the research to find out more about the disease and towards eventually finding a cure. To support John and Geraldine, donations can be made at the pub and on the day of

the event, Paul Jackson-Clark, director of fundraising at Parkinson's UK, said: "Taking part in a UK challenge, like a run or a cycle, is a fantastic and rewarding way to raise vital funds to support our work."

"As the UK's Parkinson's support and research charity, we are leading the work to find a cure, and we are closer than ever. But our work is dependent on donations."

"We are incredibly grateful to John and Geraldine for their support. I hope they will inspire others to take part in our events throughout the year."

People are being asked to complete a survey, which could see the lucky winner receive free membership worth £500 or a £50 Zoggs swimwear voucher.

Susanna Newall, chairman of the trustees, said: "We have some really ambitious plans but we also have some challenges ahead in this time of tight budgets and financial pressures.

"We need people's help. We need them to tell us what they think of our services and to help us to dream of what Bridport's leisure centre could be like in the future."

The centre, which is run as a charity, aims to offer local people the best possible services for fitness, sport, health and wellbeing.

It was built at Brewery Fields in 1992 to provide a range of recreational facilities and activities to the people of West Dorset, and is run by the trust as a non-profit making organisation.

Facilities include: a swimming pool; teaching pool; fully-equipped gym; exercise

studios; squash courts and more.

There are activities for everyone, including: circuits; high-intensity interval training; yoga; pilates; exercise on prescription; gymnastics; squash; swimming; swim lessons; trampolines and tots' gymnastics.

The online survey will be emailed to existing users of the leisure centre and to non-users.

Alternatively, people can complete the survey at Bridport Leisure Centre or at [www.bridportleisure.com](http://www.bridportleisure.com)

Manager Nick Neale said: "We need to do the basics brilliantly and offer a first class experience to everyone that walks through our doors.

"We want to provide new and engaging activities, staying exciting and keeping bang up to date with what people want and need.

"As a charity we can invest all our proceeds back into the leisure centre, but we have to ensure we are generating enough money to pay for investment in mod-

ernisation and innovation.

"So we need happy paying customers and inspiring, meaningful plans to attract funding."

The survey takes just a few minutes to fill out and everyone who completes it is eligible to enter a draw for a year's free membership or Zoggs vouchers to spend at the centre's swim shop.

Mrs Newall added: "We would like to know what customers love about the leisure centre, the things we could improve.

"We are looking for people's ideas of the type of facilities Bridport needs which we could provide.

"We want people to help us plan a brilliant future for the leisure centre. We want people to be honest and to know what they really think and feel about their leisure centre."

# Biggest turn out yet for Jurassic run

THE fifth Bridport Jurassic Coast Run not only saw the biggest field of starters ever, but also a female runner winning the half-marathon for the first time.

Ruth Barnes from Affpuddle, who recently moved to Dorset, won the gruesome 13 mile run along the coast

path in one hour, 35 minutes and 16 seconds, being almost seven minutes faster than the next finisher.

The fastest runner in the 10k race was Adam Gale of Bridport, who not only crossed but jumped over the ribbon at the finish line after 47 minutes and 25 seconds.

onds.

Overall, 154 runners competed in the half-marathon and 10k races, which were a major attraction of this year's West Bay Day.

Brian Shelley, Bridport Runners' chairman, said: "With a record number of participants, such a strong

field of competitors and many positive comments of runners, our latest edition of the Bridport Jurassic Coast Run has proved that the race has established itself as a tough but attractive race for runners of all ages.

"We are looking forward to next year's event."

Local community groups and charities entered a range of floats, including The Living Tree cancer support group with their Stepping Out for Cancer float, showing different sports, members of the Bridport Pantomime Players who dressed as pirates and the Bridport 1st Brownies who opted for a tropical theme.

# Men Behaving Badly stars reunite for fair

## BUT MANY LEFT DISAPPOINTED AFTER BIG TRAFFIC PROBLEMS

BUCKHAM Fair organisers have apologised for the lengthy delays many motorists faced while trying to get to the event on Sunday (August 20th).

Visitors reported queuing for up to three hours for the fair in Beaminster – which is organised by Martin and Philippa Clunes – with some giving up and turning around.

A spokesperson for Buckham Fair said: "We offer our sincerest apologies to all of our visitors and participants who were stuck in traffic trying to get to this year's event."

"We engaged a traffic management team several years ago and we had thought such issues were in the past."

"We will be reviewing the traffic problems with the team who is investigating what happened on Sunday."

"Pleased be assured that it will be looked into and resolved before next year's Buckham Fair, which will be an extravaganza to celebrate our 10th anniversary!"

However, those who arrived

**Lottie Welch**

Reporter | [lottie@viewnews.co.uk](mailto:lottie@viewnews.co.uk)

early and persisted through the traffic, enjoyed a fun-filled fair, which this year was raising money for Dorset and Somerset Air Ambulance.

Many visitors entered their dogs and horses into the numerous shows and competitions, as well as taking the opportunity to have a photograph with *Doc Martin* star Martin Clunes.

A special guest also thrilled the crowds when Mr Clunes' *Men Behaving Badly* co-star, Neil Morrissey attended and

even judged some of the dog show classes.

The spokesperson added: "We are ever-thankful to the incredible support of all our sponsors, traders, visitors and volunteers who continue to support Buckham Fair and our efforts to raise as much money as possible for our nominated charity of 2017, the Dorset and Somerset Air Ambulance."

"As we look towards 2018, we continue to appreciate all suggestions received and in an effort to continuously deliver a great day out, will continue to take all feedback on board."

# Rain can't deter crowds from fete

MORE than £5,000 was raised at this year's Loders fete, where downpours failed to keep the crowds away.

Hundreds of people flocked to the grounds of Loders Court for the event earlier this month, which raised funds for the village church, hall and local youth organisations.

There was an abundance of new and traditional activities, attractions, stalls and competitions, includ-

ing donkey rides, ferret racing, a coconut shy, tombola, hook-a-duck, and the popular chuck-a-chicken, as well as face painting, glitter tattoos, performances by Jules the Entertainer, a silent auction and a treasure hunt.

A range of stalls lined the gardens, including cakes, clothing, plants, books, gifts and crafts, while the tea tent, ice cream cart and bar, run by The Loders Arms, provided refreshments.

A raffle, with a first prize of £250, was sponsored by Watsons Fuel.

Organiser Emily Bourne said: "Our hearts sank when Saturday morning brought such discouraging weather, especially when the heavens opened so soon before the start of the fete."

"We were delighted and very relieved when the afternoon turned dry and sunny, setting

the scene for a busy and thoroughly enjoyable fete.

"I am very grateful to everyone involved in planning, organising and running what was a very successful event."

"Our thanks also go to all those who have been part of the fete over the years, providing such a solid foundation for what has been a fundamental

and much-loved part of Loders life for decades.

"We are delighted to report we have raised around £5,800."

■ ONE of the most popular games was chuck-a-chicken

"It is very much a local event with a focus on bringing the local community together; a great opportunity for friends, neighbours and relatives to all get together."

"It is also a chance to encourage young people to appreciate the joys of plants, the environment, wildlife, home cooking and being creative."

# Beaminster and Colfox students celebrate

THE Beaminster and Sir John Colfox sixth form is again celebrating excellent A-level results.

A quarter of grades achieved were at A\* or A, with almost half the grades – 48 per cent – at A\* to B, and the pass rate at 99 per cent.

Keith Hales, headteacher at Beaminster School, said: "These are a wonderful bunch of students who have met, and exceeded the challenge of new A-levels and can now go confidently forwards in their lives with a fine set of grades."

David Herbert, headteacher at the Sir John Colfox Academy, said: "This is a tremendous set of results from a group of students who should be proud of themselves as we are of them."

"Their hard work and the excellent support of their teachers has been richly rewarded. "The destinations they are heading onto in the new term are very exciting indeed."

This is the first year of the new reformed A-level courses, with the biggest exam shake-up in a generation.

In most subjects, students are now assessed almost entirely by final exams, with coursework reduced in importance and AS exams removed.

Students have to sit many more exams to cover two years' worth of study.

With many schools receiving

ing volatile results, and Sally Collier – head of exam watchdog Ofqual – admitting that there would be "unexpected results", the headteachers of both schools were delighted by the performance of their students.

Of particular note, amongst a wealth of fine grades, were the following students: Alana Pollock A\*A\*AB; Evie Dixon, AAA (with A\* for the Extended Project); Theo Everley took 6 A-levels, gaining 'A' grades in four of them; Matthew Webb A\*AA; Joanna Bishop AAA and A for the Extended Project; Benjamin Jackson A\*A\*B; Nia Kanelaki A\*A\*C; Jonah Corren AAA; Beth Rowe AAA; Joe Scott AAA; Immy Thomas AAB; Joan Ferris A\*AB; Amelia Mundy A\*AB; Adam Halford A\*AB; Sam Robinson A\*AC; Zac Withers AAB with A for the Extended Project; Megan Allan-Baker AAB; Jenny Stazicker A\*BB and Beth Hedges A\*BB.

Bradley Weekes attained three starred distinctions for Extended BTEC PE and Liam Tuck, Charlie Hannam and Patrick Harper gained three distinctions in the same subject.

The new Yeovil College partnership, set up to broaden the

range of Level Two and Three courses, also reaped rewards with fine results across the board for more than 20 students.

Robyn Hill and Olivia Cooper gained two starred distinctions in applied science, whilst Kate Chamney gained two starred distinctions in travel and tourism.

Adam Teasdale, head of sixth form at Colfox, said: "I am absolutely delighted with this set of results."

"Academic results were very strong indeed, but I am also extremely pleased with the results from vocational courses, with all our students passing their courses and many of our BTEC PE students beating their target grades."

"All our students worked extremely hard, and are going on to achieve great things. I wish them all the best for the future."

Reflecting on the positive set of A-levels, Richard Barnes, head of sixth form at Beaminster School, also thanked staff for their hard work in making the new exams such a success.

He said: "The unique features of the joint sixth form are the individual support, built up across the two schools since the students start with us in year seven, and the fresh challenge we offer when coming together with teachers from both sites. It remains a

clear recipe for success."

Students have now got confirmed places at universities across Europe, with one stu-

dent going to Strasbourg to study maths and physics, and students have also accepted places at Liverpool, South-

ampton, Birmingham, Exeter, Cardiff, Bath, Kent, Nottingham, Bristol and Belfast amongst others.

# Give your advertising an unfair advantage. Run some press ads.

The effectiveness consultancy Benchmarking have analysed what happens when companies include press advertising in their media mix.

They looked at 500 econometric models, across a five-year period and discovered that adding newspapers dramatically increases the return on investment of other media.

Over half were service companies who saw the effectiveness of their TV advertising double, ROI of their overall campaigns treble and their online digital display enjoy a four-fold increase.

Individual categories also saw impressive results.

Automotive campaigns clocked a 70% increase. In travel, effectiveness trebled. In retail it leapt by 2.8 times. And most remarkable of all, in the financial category, Benchmarking uncovered an increase of 5.7 times.

So, whatever business you are in, you should be in the newspapers.

SYMENE Sports Club's 31st annual Fete and Giant Car Boot Sale, promises to be bigger and better than ever and let's hope the sun will be shining.

Last year, the biggest date on the Symonds-bury social calendar attracted more than five thousand visitors during the day, once more proving the enormous popularity of the event.

Organiser, Richard Balson is proud of the fact the Symene Fete is now regarded as the biggest of its kind in Dorset. From 12 noon until 6pm the usually tranquil sports field setting will be transformed into a hive of activity, offering one of the most inventive and entertaining fetes in the South West.

Every member of the family will find something to do judging by the enormous number and range of attractions.

It really is a fun for everyone fete! A local

celebrity will open the fete at noon, and as visitors would expect, there is a lot of emphasis on sporting activities with Target Golf and Golf Putting. ## Targeting more international visitors

THE National Coastal Tourism Academy has been awarded funding from The Discover England Fund, to encourage international visitors to come to the English coast.

'England's Coast' project will focus on German, Dutch and French visitors and will target Devon and Cornwall in the South West and the Jurassic Coast in Dorset and East Devon, amongst others.

Visit Dorset will be harnessing the interactive video technology trialled in the Coastal Pass project which allows consumers to create their own personalised itineraries, but the scope of the project will be expanded to target the travel trade.

Samantha Richardson, National Coastal Tourism Academy director, said: "This project is a fantastic opportunity to develop and connect product on England's coast into bookable itineraries for international visitors.

"We now know from a pilot on the East coast that the English coast appeals to international visitors once they are made aware of the product and this project provides a new reason for seasoned travellers to discover England's spectacular coastline.

"We'll be working with a number of destinations as well as private partners including P&O Ferries, Hertz and Green Traveller.

"This is a truly exciting and innovative project that could open up our shoreline to an entirely new international audience and we're looking forward to working with all our partners and supporters to bring this project to life."

# What's going out the car window?

LITTER Free Dorset is running a new roadside litter campaign to highlight the rubbish that gets discarded along the Dorset highways.

The issue of roadside litter is not one contained to Dorset. However, the newly formed group Litter Free Dorset is working hard to raise awareness and provide simple tips in order for the Dorset roadsides to be tidied up.

Litter Free Dorset is made up of a group of local organisations, charities and community groups. They work together to reduce the social, economic and environmental impacts of litter.

Charlie Wild, Litter Free Dorset Project Officer, said: "Our roadsides are what visitors to the area see first when entering our county. Dorset is often seen as having rolling green hills and stunning countryside, and we want people to really experience that – whether they live in the area or are visiting for the first time – and not be introduced with lots of rubbish.

"We accept that there are some items that accidentally get blown off the back of lorries or vans, but the majority of the litter we are finding is snack food-related and can easily be avoided becoming litter.

"We've found all sorts – from barbecue related items, wet wipes and car parts, to shoes and kayak vests. It's incredible what people throw out of their cars."

"Initial perceptions at the start of the campaign were that the majority of roadside litter would be made up of fast food packaging. However, after a number of audits, this doesn't appear to be the case.

"What's interesting is that only a small portion of what we've found has come directly from the traditional fast-food outlets. Instead, we were finding a higher proportion of sweet and crisp wrappers, and hard plastics that have come off vehicles.

"Cleaning these roadsides is tricky due to health and safety, so we want to try and stop items such as sweet wrappers becoming litter in

the first place, to avoid having to do large-scale clean-ups which are expensive and disruptive."

Litter Free Dorset is working closely with the Dorset Waste Partnership to raise awareness of this issue. There are already a number of signs dotted about Dorset's roundabouts by Litter Free.

Please help to reduce roadside litter by:

- Not actively throwing litter out of your vehicle window;
- Try having a container (a bag, or used coffee cup) to use as an in-vehicle bin. When you stop off at a petrol station or cafe use their bins to dispose of your litter properly;
- If you have a van or lorry, ensure your content is properly secure to reduce chance of fly off.

You can find out more about the campaign by finding Litter Free Dorset on Facebook, Twitter and Instagram.

■ NOT OUT THE WINDOW PLEASE: Cleaning up roadsides is dangerous and costly

## Diamond celebration for Wessex Morris Men

WESSEX Morris Men will be holding their 60th Anniversary weekend from Friday, September 8th to Sunday 10th.

In celebration of the diamond anniversary of their founding in 1957 the group has organised a weekend of dance and activities based in Cerne Abbas.

The side was started by a group of then young men out of the White Horse Morris Men. It is an active member of the Morris Ring and dances mainly in the Cotswold tradition.

The weekend will begin with the arrival on Friday of invited sides Helier (from Jersey), Dartington (Devon) and Whitchurch (Bucks) who will take supper before retiring to the Giant Inn and Royal Oak pubs in the village for informal music and song sessions.

On Saturday the company will depart Cerne

on coaches to tour the area, with scheduled stops at: 10am until 11am – Dorchester, Cornhill; 11:45am until 1pm – Abbotsbury, refreshment (and dance) at the Ilchester Arms; 1.30pm until 3.30pm – West Bay – lunch and dance; 4pm to 5pm – Cattistock – dance at the Fox & Hounds.

Activities on the Sunday will centre on Cerne, beginning with a 'morris'-based church service between 9:45am and 10:30am. The visiting sides have then been invited to dance at around 11am on the Trendle Hill, home of the Cerne Giant, before returning to the village square to conclude the weekend with dancing from 12:15pm.

## Films from all over the globe make up Film Society's next season

NOW ENTERING its 53rd season the Bridport Film Society are pleased to announce a wonderful selection of contemporary films hailing from all over the globe. Countries represented in 2017/18 include, New Zealand, Brazil, France, Romania, Sweden and more.

There are many films released each year. Difficult choices have to be made by the committee, who spend many hours watching, deliberating and deciding on which ones will make the cut. This season's selection is diverse and covers a range of genres.

September the 26th is the first date for your diary when the *Hunt for the Wilderpeople* from New Zealand will be

opening the season. This heart-warming film sets the bar high but members will not be disappointed by the committee's choice for the remaining eleven films.

Featured on the front of this year's programme is *Embrace the Serpent*, an award winning adventure drama shot in black and white, following two scientists independently travelling up the Amazon in their search for a sacred healing plant. Directed by Ciro Guerra, this film is a Spanish/Portuguese/Aboriginal collaboration.

*My Life as A Courgette* is the last film of the season. A stop motion animation, it is the story of a young boy sent

to live in a children's home. Since its debut at Cannes in 2016 this film has stirred up an overwhelming response on the festival circuit.

Full details for the season can be found at [www.bridportfilmsociety.co.uk](http://www.bridportfilmsociety.co.uk) and printed brochures are available from the Bridport Arts Centre, The Bookshop, Fruits of the Earth and from our stall outside the Arts Centre on Saturday, August 26th from 10am until 12.30pm. Full season membership costs £35 and typically reaches its capacity of 200 members some time before the season begins.

## Open air dance at dusk

### Landance to perform at Maumbury Rings

LANDANCE will present a unique open-air promenade performance, starting in the Maumbury Rings in Dorchester, at dusk on Saturday, September 2nd..

Dancers from national company Impermanence Dance Theatre, together with local youth dancers, live music, costume and lighting, will animate this performance which starts in Dorchester's Neolithic henge at dusk, then leads the audience into an atmospheric urban landscape as darkness descends.

Since 2006 Landance has commissioned professional artists and performers to create dance performances in outstanding landscapes. Landance performances aim to extend the audience's experience of

art and landscape, enlivening it with the relationship between people and rural environment, providing a lasting memory of place.

As part of each Landance project, professional dance artists lead workshops in local schools, drawing inspiration from each project's creative connections with place and focusing on depth of engagement.

Last summer Landance edged into the urban environment, exploring Maumbury Rings and the nearby market area in a research and development phase with dance artists and in youth dance workshops, leading to this year's inclusive performance project.

In 2012, Landance drew 750 audience members across two highly

atmospheric performances on the ancient hill fort of Eggardon Hill, as part of the Cultural Olympiad, and in 2014, four fully booked performances took place in the Valley of the Stones near Littlebredy.

This year's Landance performance, in partnership with Dorchester Library & Learning Centre and delivery partners Dorchester Arts, invites audiences on an enticing exploration from the rural into the urban environment and this one-off performance is not to be missed. Tickets are free but please reserve in advance at [landance.eventbrite.com](http://landance.eventbrite.com).

The performance will go ahead in all weathers.

## Flamenco goes Incognito

INCOGNITO is a new production from international flamenco company, Mi Flamenco. Touring at various venues in the UK this Autumn, Incognito is a show, not to be missed. It contains all the spirit of authentic, pulsating flamenco, intertwined with the unexpected. Exciting, moving flamenco dance, powerful song, virtuoso guitar and cello; with lots of charm, imagination and theatre thrown in.

The company, produced & directed by husband and wife team - Ester and Uri Tal - (lead female dancer and guitarist), bring with them other artists of the highest calibre to audiences throughout the UK.

Ester Tal is Dorset born, but was drawn to Spain by her love of everything Spanish, combined with her desire to dance flamenco. She has danced from an early age, inspired by a mother who loved dancing. Flamenco, however, came later. Attracted by the Bohemian gypsy culture, the drama of flamenco and the spirited women in particular, who dance it, she moved to Madrid in 1993, where she met her guitarist husband, Uri Tal. She studied in the world-famous flamenco academy, Amor de Dios, for 7 years and then the couple went down to Jerez in Andalusia, to live, work and study flamenco with the flamenco gypsies. They lived and breathed flamenco for a further 7 years in Jerez, before basing themselves here in the UK, with a mission to bring powerful, authentic flamenco to audiences here.

What is it that attracts a British woman to want to dedicate her professional life to flamenco? Ester explains: "Flamenco has a spirit that is unique. I have always wanted to express myself through dance, but never really fitted into the English dance academy world. The technique and discipline of flamenco dance is tough, but the range of emotion and strength of flamenco dance and the individuality of expression it allows, is addictive. Mi Flamenco is my flamenco family and I feel proud and privileged to be a part of it."

Mi Flamenco (literally My Flamenco), have, at their heart, the gypsy singing from Jerez - the birthplace of flamenco singing. Their powerhouse of a singer, the characterful Luis El Mono, is "Jerez" through and through:

"El Mono sang as if he had fire in his belly, clapping his hands wildly in time with the intricate music and footsteps." Helen Potter Docklands Review Laban Trinity, London 2010

Their lead male dancer, Kelian Jimenez is from one of the most renowned gypsy neighbourhoods in Madrid. He never disappoints. One review, saying that Kelian Jimenez "almost burst into flames during a stunning solo" (Matthew Jenkin News shopper Review) is no exaggeration.

Joining them on this tour is the amazing cellist, Nick Squires, who adds his own particular grace and beauty to Mi Flamenco's new production.

Incognito promises to delight theatre-lovers, and music and dance fans, as well as die-hard flamenco aficionados. The tour is aimed at small audiences for maximum impact and intends to entertain them with beauty, grace, power and the unexpected.

Don't miss Mi Flamenco with Incognito at Bridport Arts Centre on October 7th.

## BRIDPORT HAT FESTIVAL CELEBRATES ITS 8TH YEAR!

**E**VERYTHING is set for this year's Bridport Hat Festival to be bigger and better than ever before. The festival is in its eighth year and is one of the highlights of Bridport's calendar. The main events are on Saturday, September 2nd, but with fun organised from the Thursday through to Sunday, it's set to be a great weekend.

The festival started life as a bit of a crazy idea that surprised its organisers when a few hundred people turned up. It now

regularly attracts thousands of hat-wearers from across the country and is a must for serious milliners. As well as being a weekend of fun and celebration, all proceeds are given to head-related charities Brain Tumour Research and Brain Injury Rehabilitation Trust.

The festival is based at three outdoor and 12 indoor venues around town with all of them an easy stroll from each other. The organisers are excited about this year's programme of events and are looking forward to meeting you.

## THE BRIDPORT HAT FESTIVAL BY ROGER SNOOK

WHEN John F Kennedy described the hat as a useless appendage the hat industry was, at that time – the early 60s – in decline. His statement sounded the death knell and the hatting industries virtually disappeared, except for millinery creations and a few stalwarts such as the bowler and top hats. The British Hat Council tried to beat the decline with clever slogans such as: “If you want to get

ahead wear a hat”. Regrettably their efforts were to no avail.

I had to wear a boater for most of my schooling in Swaziland: this was regarded as a last vestige of the Empire but the custom taught one the etiquette of wearing a hat, since when my interest in men’s headwear had never waned and now my little emporium, T Snook – started by my grandfather as a gentlemen’s outfitters – is one of the most comprehensive hat shops in England.

Fifty years after those colonial schooldays I found myself starting up the Bridport Hat Festival, the first such event of its kind in the UK. News of the festival spread throughout the British hatting industry, which adopted it with enthusiasm. It turned out we were all waiting for something very like it to happen, it just needed a destination, an untapped enthusiasm from someone ‘in the know’ and a population willing to run with an exciting new event.

What I had not realised at the time was that Bridport, with its legacy of rope and net-making, had also been a centre of the

straw, hemp and flax-weaving and hat-making industry back in the 18th century, when the French Revolution prohibited imports from France reaching our shores. The industry was short-lived but in its day employed great numbers of young girls and women, giving them a craft-based skill and a working wage.

The Hat Festival is held in September each year and is an event at which people can lose all inhibitions about wearing hats, sporting their fun, fancy, quirky, retro, stylish, perched and home-made concoctions. People dig out family heirlooms, occasion hats only worn once, even uniform headwear: it brings out the humour and whimsy in everyone and is a place where one’s true character really emerges.

As well as the fun element there is the more serious side. The ‘Milliners & Hatters Open Competition’ attracts milliners from around the world, with prize money amounting to £900 and entries coming from as far afield as Australia, America and Canada for the best millinery creation. Entries are produced to the highest standard

of workmanship and one year saw a Dorset millinery creation take the top £500 prize.

The highlight of the Festival is at lunchtime on ‘Haturday’, when a mass hatted photoshoot, photographed from on high, takes place in Bucky Doo Square – with thousands of people bedecked in headwear of every description this is quite a spectacle to behold. The mass photoshoot is followed by judging and prizegiving for best hatted ladies, gents, girls, boys and most elegantly-hatted couple – and, new this year, best hatted family or group. It’s a must for audience participation.

The Bridport Hat Festival has been described as one of Dorset’s quickest festivals, with attendance growing in the first four years to an estimated near-10,000 in 2013. I leave you to make up your own minds on the numbers this year, but with the continued support of the community this is one event that can only get bigger and better.

## CAN YOU LEND HATFEST A HELPING HAND?

ROGER and his wife Monica led the team that brought the festival to life, but after several years’ hard work they passed the baton (or should that be beret) to the all-volunteer committee that now runs it. As, year to year, committee members inevitably move on, new members are always being sought.

Anyone who is interested in joining the committee and helping to keep festival running in the future is urged to get in touch on the HatFest hotline **01308 250350** – anyone with previous event management, PR/marketing or administrative experience is particularly encouraged (an enthusiasm for hats is a bonus). The festival is also keen to hear from anyone willing to lend a hand during this year’s event itself.

# HATS GET SERIOUS: THE MILLINERS AND HATTERS OPEN COMPETITION

ASK most local folk what they think of when they hear 'Bridport Hat Festival' and it's – of course – wearing hats, and fun. But Bridport Hat Festival has a serious side too: the Milliners and Hatters Open Competition.

Distinct from the merry public competitions happening outside in Bucky Doo – also on the main 'Haturday', September 2nd – the prestigious Milliners and Hatters Open is held in Bridport Town Hall and is judged by a panel of eminent industry professionals. The 'M&H' offers all UK and international (and yes, local too) milliners and hatters, whether professional, amateur or student, a top prize of £500, second of £250 and third of £125 (all sponsored by Bridport companies: T Snook hatters & outfitters, Porter Dodson and Aspect Counselling Services respectively), plus coverage in industry 'bible' The HAT Magazine.

## BRIDPORT HAT FESTIVAL 2017 CHOSEN CHARITIES

THIS year the Bridport Hat Festival will once again support, with profits from our fundraising and space at the Festival itself, the two very worthwhile head-related charities:

### Brain Tumour Research

In the UK more children and people under the age of 40 die of a brain tumour than any other cancer – yet brain tumour research is woefully under-funded. Brain Tumour Research aims to raise at least £7 million per annum.

[www.braintumourresearch.org](http://www.braintumourresearch.org)

### The Brain Injury Rehabilitation Trust

A charity that leads brain injury rehabilitation across the UK. It is part of the Disabilities Trust group. An eye-opening thicket of unexpected wonder, there are bounteous attractions to explore. From deeply wonky beats and divining your fortune, to paint-based mayhem or a cuppa and a sing-song, myriad pleasures await you deep in the woods.

# Under the Surface

## Paintings and Carvings by David West

THIS major exhibition is currently on show at the Dorset County Museum until 6 January 2018 is supported by the Mansel-Playdell & Cecil Trust and PGP.

For the very first time, 'Under the Surface: Paintings and carvings by David West' brings together 70 of David's most important works from both private and public collections. Spanning 60 years, it reflects the different strands of his development as a painter, sculptor and craftsman, deftly illustrating the progression and interaction between his use of paint and wood, in what is a landmark exhibition for this Dorset artist.

Born in 1939, David West went to Sutton and Cheam School of Art (1956 – 1958) and Camberwell School of Art (1958 – 1960) where he studied painting and printmaking. However, West found the emphasis on accuracy which was a feature of his student days too restrictive, and on leaving Camberwell he began to explore his love of decoration and strong pattern.

In the 1960s his work took an unexpected direction as he began to explore flexible ways to construct paintings within a three dimensional framework, which led naturally on to painting on wood. Initially, wood was a substitute for canvas, but he soon became interested in its possibilities, and gradually there was more constructing and carving and less painting.

His carved wooden models are full of acute observation and humour, and reflect the strong interest West has in architecture, and the self-contained world within buildings. His dolls houses were inspired by watching his daughter's imaginative play, and the idea that within the basic structure of a house is a place where imagination can be released.

Some pieces portray actual houses, such as Parnham House and Forde Abbey, others are pure inventions. Later models include a shop and theatre, and Dorset County Museum is lucky enough to have The Spode Set, a miniature theatre carved in wood based on the 'Spode Italian' ceramic design. West's woodcut prints became a natural extension of his carving.

West's move from London to Lyme Regis in 1981 inspired in him a love of the Dorset

■ David West

landscape and coast, and a fascination with the ebb and flow of tides and water. This influence can be clearly seen in his work as he began to carve sculptures based on walks along the beach at Lyme Regis. He has taken an active part in life in Lyme Regis, and in the 1990s had a significant role in the restoration of the Town Mill, where there is a room named after him.

In fact, it was the commission to carve and gild a set of organ pipe shades for St Michael's Church in Lyme Regis which led to using gold leaf to develop the 200 drawings inspired by his trip to Japan in 2008. Variations of footpaths, waterfalls, fishponds and mountain streams are among the many gilded carvings and woodcut prints in the exhibition. These were followed by works related to the Dorset landscape and coast, a series of gilded carvings, 'Night Waves' and 'Moon', combining influences from both Japan and Dorset.

Dorset County Museum is pleased to be welcoming David West back following a successful exhibition at the Museum almost 30 years ago.

The key to finding your perfect home

**MAYFAIR**  
TOWN & COUNTRY

## AGENTS ANNOUNCE BALLOON COMPETITION WINNER

Mayfair Town & Country estate agents have announced the winner of this year's 'Win a Hot Air Balloon Ride' summer competition. The lucky individual was Ms Brookes from Easton-in-Gordano, a client of the Clevedon office, who won a pair of tickets for a flight at the Bristol International Balloon Fiesta.

The competition, which was the second of its kind the agents have run in the last two years, was open to everyone that booked a sales or rental valuation with Mayfair throughout July. Mayfair have nine offices in Bristol, North Somerset, Somerset and Dorset and it was the first year entries had been opened to clients from all offices.

A delighted Ms Brookes visited the agents' office to be presented her

winning tickets by Clevedon Sales Manager Steve Pearce.

Steve said: "We're delighted that a client from our office clinched the prize, particularly as it was open to all of the Mayfair offices' clients this year - congratulations to Ms Brookes! Unfortunately, due to typical English weather and the need for perfect flying conditions to allow a safe flight, many balloons were unable to fly on the Saturday at the Fiesta, including ours. However, the winners still enjoyed a glass of bubbly at the event with the other passengers and will be rescheduling their flight for a sunnier day in the near future."

Harriet Stacy-Marks, Sales Manager and Principal of the Beaminster office, added: "The Fiesta is such an

iconic event, much loved by a lot of people across the South West. This was our Dorset offices' first year participating in the competition which proved very popular, however there can sadly only be one lucky winner! A big thank you to all of our clients from our Beaminster and Dorchester branches who took part in the draw, and do make sure you keep an eye out for our future competitions!"

If you would like a sales or rental valuation for your property, call Mayfair Town & Country Beaminster on 01308 862606 or Dorchester on 01305 269200 to arrange a free, no-obligation market appraisal.

## What a difference 100 years makes: Ford marks centenary of Model TT commercial vehicle

YOU'VE heard of the Ford Model T, but how about the Model TT? Though less well-known, it also had a big impact – as the forerunner to the modern day van and pickup, including today's Transit.

First launched 100 years ago, in 1917, the Model TT was Ford's first purpose-built one-tonne van. Owners could customise the chassis with a cargo bed to transport everything from letters to fuel – just as they can today in the 2017 Ford Transit Custom. The Model TT was first launched in the U.S., and later built at Ford's Trafford Park factory in Manchester.

The Model TT van was longer and stronger than the Model T car, with a cab that could seat one driver and one passenger. The engine was started using a cranking handle on the front. For a smoother ride, customers could choose modern air-filled rear tyres instead of solid rubber.

"It is amazing that while in some ways today's vans are a million miles from the Model TT in how they have come on, they fundamentally do the same job as they were designed to do 100 years ago – providing a flexible means of keeping businesses on the move," said Hans Schep, general manager, Commercial Vehicles, Ford of Europe.

One hundred years later, Ford now offers the best-selling commercial vehicle range in Britain and across Europe, with four commercial vehicles now carrying the iconic Transit nameplate – Transit, Transit Custom, Transit Connect and Transit Courier – as well as the Ford Ranger pickup.

In the UK alone, Ford has maintained market leadership in the commercial vehicle sector for 51 years – ever since the Ford Transit was introduced in 1965. In 2016, Ford recorded its highest-ever year of commercial vehicle sales with 118,000 units.

Transit sales passed its first million milestone in 1976, rapidly passing the next in 1985, 1994, 2000, 2005, 2010 and 2013, which lined up end-to-end would circumnavigate the globe. On average, customers have bought a new Transit every 180 seconds during its lifetime.

A new study, which explores the use of brand words

in the British dialect, reveals that the British public now commonly uses the word "Transit" as a generic term for van. The study of 2,000 consumers, conducted by Census Wide, reveals that almost a quarter used the word "Transit" to describe a typical van, and that 46 per cent of Brits believe that a "Transit" refers to a specific size.

Later this year Ford is launching 20 new plug-in hybrid (PHEV) Transit Custom vans – that reduce local emissions by running solely on electric power for the majority of inner-city trips – on a 12-month trial in and around London.

Among those taking part in the trial are the Metropolitan Police and British Gas, which

will allow both Ford and the city of London to explore how electrified vans can contribute to cleaner air targets while boosting productivity for operators in urban conditions. The Transit Custom PHEV van is planned for commercial introduction in 2019, part of Ford's \$4.5 billion investment into electrified vehicles by 2020.

# Dacia offers five year warranty with its great value finance deals this summer

NO-NONSENSE car brand Dacia is continuing its range of great value finance offers this summer. A free five year extended warranty is standard on all new Dacias (excluding Access versions) purchased through the RCI Dacia Dimensions Scheme, on a four year PCP or HP deal.

The offer spans the full, recently updated range of award-winning Dacia models, ensuring drivers can own a brand new

hatchback, estate, compact crossover or SUV for a lot less than they may have thought. The offer applies to orders placed before the 30th September 2017 for cars registered until the 31st December 2017. The free five year warranty, usually worth up to £395 as an upgrade, replaces the standard three year warranty.

Attracting a deposit contribution of £1000 for diesel versions and £500 for

petrol models, the rugged and award-winning Duster, refreshed for 2017, is a highly tempting proposition to savvy SUV buyers. Purchased through a four-year Dacia Dimensions PCP package, the Duster in Ambiance 1.6 16V 115 specification is available from only £149 per month once customers have put down a deposit of £1,780 and also comes with the free five year extended warranty.

Recently announced as one of the UK's most affordable cars to own and run, and What Car? magazine's 'Best Small Car for less than £12,000' for the fifth consecutive year in 2017, the neatly-packaged Sandero is now even more accessible. Via the four-year Dacia Dimensions PCP deal on the Ambiance SCe 75 model, the practical five-door hatchback can be purchased for as little as £89 per month with a customer deposit of £1,485 with the free five year extended warranty.

Drivers that want a small crossover will want to check out the latest Sandero Stepway offers. Available with a £600 deposit contribution for diesel versions when bought on a four-year Dacia Dimensions PCP deal and £400 on petrol versions, the popular crossover costs from only £99 per month with a deposit of £2,370 for the Ambiance TCe 90 version with a free five year extended warranty.

Equally big on space as it is on value, the Logan MCV comes with a £400 deposit contribution when purchased on a four-year Dacia Dimensions PCP deal. With a £2,078 deposit, customers can experience the model's versatility and spacious interior from only £99 per month with a free five year warranty.

Dacia has sold more than 100,000 vehicles in the UK since it was launched here in 2013 with more than 4.5 million Dacias sold since the brand was relaunched by Groupe Renault in Europe in 2004.

## The new BMW M5

THE BMW M5 is the original model that started the high performance super saloon genre. Now an all-new sixth generation of the BMW M5 Saloon, will launch in February 2018 equipped with an enhanced V8 engine, a new M-specific, all-wheel drive system known as M xDrive and performance statistics that surpass all previous incarnations.

Key to this heightened level of performance is the introduction of M xDrive and its adaptability thanks to a central control module and the variety of different dynamic modes that can be selected. When first started, the car is in four-wheel drive mode with the Dynamic Stability Control (DSC) switched on. But it comes with various driving dynamics modes, up to a track-friendly pure rear-wheel drive without DSC.

Power comes from the latest 4.4-litre V8 engine with BMW M Twin-Power Turbo technology. It delivers a maximum torque of 750Nm, accelerating the new M5 from zero to

62mph in just 3.4 seconds, making it the fastest M5 yet. Power is transferred to the road via a new eight-speed M Steptronic transmission with Drivelogic.

All of this performance is wrapped in a design that adheres to the form follows function mantra of all

BMW. The front design serves to splice the oncoming air in the most aerodynamic fashion while at the same time providing the breathing and cooling requirements for a 600hp engine and its braking system, and the downforce required of a high performance saloon.

### Tight shoes

UPLYME & Lyme Regis are now embroiled in a real scrap to avoid relegation to Tolchard's Drinks Devon League Division D (east).

A narrow defeat in bowler friendly conditions at the Hitchcock Memorial Ground on Saturday hardly leaves them suffering from vertigo as they sit 20 points from third from bottom Clyst St George with two matches to play.

Clyst host Uplyme next Saturday in what could be a nervy affair.

The season ends on September 2nd with the visit of midtable Feni-ton.

Back to last weekend, and things started well with skipper James Whetlor winning the toss and opting to bat first.

The positive note continued with a 53-run opening stand between Charlie Moss (33) and Laurie Thomas (14). Moss was then bowled by Craig Seward and he was quickly followed by Liam Gorfine for a duck. Thomas and Mark Batey advanced the score to 85 before the former gave a return catch to Josh Short.

Batey went on to top score with 36 but there little else to cheer with the bat until Whetlor came in and struck 22 in a total of just 141 all out after 42 overs.

Brett Garner (26) helped the hosts to a decent start. But Steve Batey's fine spell of 6-3-15-4, and a brace apiece for Gorfine (2-43) and Whetlor (2-56) kept Uplyme in with a real chance at 109 for 7. But Ollie Reed provided the fizz with an unbeaten 25 as Kilminster edged home in the 26th over.

The Uplyme & Lyme Regis 2nd XI's season-long battle to fielding a team finally ended on Saturday with another cancellation and their points tally revert to 0.

The two remaining scheduled fixtures will likely be postponed as their opponents will be unable to gain any point by playing.

# Lyme bowlers beat drop by one point

The Lyme Regis Bowling club's Men's Championship League team did themselves no favours at POOLE PARK where they lost all 10 points and to leave them needing a minimum of two points in their last game at home against BRIDPORT to avoid relegation.

And that is exactly what they earned at the Charles Mercer Green on Monday in a nervy 65-54 defeat.

Lyme 2 had a good 8-2 win against WELLWORTHY A which guarantees them promotion into Division One next season.

The Ladies went one better by taking all the points on offer when they played WELLWORTHY on their own green. There's still plenty of work for the ladies to do but, those 10 points have eased things a little at the bottom end of the table.

On Sunday, 28 members played for the PELMAN CUP which sees Ladies and men up against each other in a 3 wood singles, all players playing to their handicaps.

In often miserable conditions, there was some extremely good bowling. Some of our newer bowlers put the frighteners on some of the more experienced ones, several games being decided on an extra end.

The final was contested between Ann Allman and Barry Rattenbury, the latter defending his title from last year.

The weather really turned during this game and by the end there was standing water.

Barry made the most of his chances and, after a shaky start, managed to close out the game to retain his title.

Special mention must be made of Geoff Clode who marked throughout the day including the final.

## Full house for Bridport men

SOUTH Dorset Division One leaders Bridport A thrashed bottom side DORCHESTER B 72-41 gaining 10 points; Chris Taylor, Steve Bartlett, Fred Pomeroy & David Smith 30-12; Bob Willcox, Mel Griffiths, Peter Scott & Ken Sanger 17-12; Chris Hall, Peter Carnell, Paul Tibble & Mike Solomon 25-17.

The local derby in the Dorset Championship League saw Bridport win 65-54 at LYME REGIS to earn eight points.

Ben Jones, John Carter & Bob Taylor 26-18; Craig Bosher, Tom Tocher, Keith Brooks & Chris Thorne 23-16; Dave Roberts, Bill Payne, Barry Shortland & Brian Conisbee 16-20.

Unfortunately Bridport A stay bottom of Division One West after losing 43-53 to WEYMOUTH MELCOMBE REGIS gaining two points; B Willcox, M Craddock, P Scott & K Sanger 11-24; C Hall, P Wilson, P Tibble & M Solomon 18-13; C Taylor, M Griffiths, F Pomeroy & K Sanger 14-16.

However, it was not a good week for the Ladies who lost in both divisions of the county league.

In Division One Bridport went down 61-67 at Dorchester. Frances Hewitt, Gill Hunt, Alison Tibble & Margaret Clapp 17-21; Pamela Daters, Mary Eastman, Laura Taylor & Pat Cornick 21-24; Lynne Craddock, Margaret Strange, Rosemary Brooks & Melodie Watts 23-22.

In Division Two, bottom side Bridport B were beaten 58-57 by Branksome Park; Joan Griffiths, Di S Butcher, Marion Tocher & Delphine Street 31-16; Jean Seadon, Pauline Newitt, Sheila Jones & Chris Cowdrey 16-22; Liz Kennedy, Chris Robbins, Jan Tattershall & Jill Willcox 10-20.

The midweek friendly against WEYMOUTH MELCOMBE REGIS resulted in a 105-90 win with Ben Jones, Peter Carnell & Ken Sanger the top triple.

However, they lost the other friendly against Fosseway Tourists 88-122 with just one winning rink; Brian Iverson, Allen Bird, M. Strange & L. Kennedy.

## Spot on Aylott wins it for Was-ups

THE highlight of this week's action in the BRIDPORT & WEST DORSET CLUB'S INDOOR LEAGUES was a magical last wood played by Dave Aylott in the **Evening League**.

Renowned for his ability to change a head, and staring defeat in the face, he played an inch perfect bowl to promote one of his sides short bowls right on to the jack to give Was-ups an 11-10 victory over Gazelles, cheered on by team mates Paul Hallett and Brian Suffling.

Sue Caen, Kevin Moys & Phil Hedges' Pirates have a four point lead at the top after a 20-7 win over Chancers.

Guppy & Peter Varney's Totties are joint second after 16-9 and 13-12 wins over Butlins and Dingos.

Meanwhile, Tracy Marley, Peter Hunt & David Jenkin's unpredictable Renegades beat Jackpots 21-8, and after Tony Sharood, Phil Benton & Mike Parsons' Wyverns shot into a 12-0 lead over Lillywhites before finishing 2, 3, 2 for a 20-8 win.

The top three all won in the **Morning League**; John Boxall, Rose & Chris Everest's Hatters 18-7 against Scuttlebutts, Nova Varney, Brian

Baker & Gerry Moss' Supanovas 10-8 over Bandits, and Pat and Martin Waters & Mike Fletcher's Man-nequins 15-5 against Hillbillies.

Maureen Hicks, Brian Legg & John Davies's Hotspurs scored a two on the last end to beat Old Timers 17-14, whilst Martin Wilton, Kay Cox & Aylott's Grumblers beat Wickers 12-10.

Gerry Moss, Anne Parkins & Erica Sarson picked up a fine point for Bridport Navy in the County Mixed League with a 14-14 draw against Dolphin Reds.

# Toshiko four clear in Janet Holmes Cup comp

**BRIDPORT & WEST DORSET CLUB**  
*with Peter Crowter*

THE men's section held a Bogey competition on Sunday competing for **The Ron Sangster Cup** for players under 18 handicap and **The Sanctuary Cup** for those above. A total of 55 players entered on a morning that was cloudy but with little wind.

Plus five was the score that took both cups and the Ron Sangster Cup was won by Jon Legg-Bagg (13). Close behind with +4 was Mike Chivers (13) and in third was Kevin Jones (9) with +3.

Winning the Sanctuary Cup and all out on his own with +5 was Nathan Dunford (18). Runner up after count-back was Stuart Gay (21) with +2. In third with the same score was Andrew Blackmore (19).

Thirteen men entered the **Midweek Stableford** but it wasn't unlucky for Alan Jowett (22) who won the competition with 35 points. Adam Cridlin (10) was one point behind with followed by George Brown (11) with 32.

The **VETERANS** had another fine breezy day for their self-entry, single division **Stableford** competition.

Jimmy Adams (23) took the honours in the 38-strong field with a 38 point score just beating

Brian Holmes (15) who came second with 37.

Then followed two players with 35, with Jimmy Gbadebo (13) taking third place from Mick Kelson (22) after count-back. After them were four players carding 34 points and Marcus Beresford (15) took the fifth spot on count-back.

Bridport vets were recently defeated in two away matches; 5-1 at **Dorset Golf & CC** and 5½-½ at **Dudsbury**.

But it was third time lucky on Monday when they won 4-2 at **Cricket St. Thomas**.

**Ladies' Section with Di Neal**

THE second round of **The Janet Holmes Cup**, a Stableford, was played in pleasant conditions last Tuesday when Ladies that that had not participated the previous weeks Medal round were able to join in playing a qualifying Stableford.

With five pars the winner was Toshiko Ricketts who, after a superb medal round last week, was declared the winner of the cup

Jane Dixon won Division One of the **LADIES STABLEFORD** in tough conditions with 30 points while Anne Humphreys just pipped Ros Cox, to take second spot on countback, both with 29.

Division Two also went to countback as Amy Mudford just beat Jane Broom, both with 34 and it was good to see relative newcomer Ros Clemmans finish on the podium in third with 32.

The **JUNIOR ORDER OF MERIT** was won by Dominic Beardwood with a wonderfully consistent performance, to record a nett 70, from Lewis Cottam (71) and Lewis Gibbons (76).

The Hardy A team had an excellent home win 6-2 against top of the table Parkstone.

## Dorset Funeral Plan League Premier Division

**DORCHESTER (17) 158 ALL OUT BEAT WIMBORNE & COLEHILL (6) 119 ALL OUT BY 39 RUNS**

SIMON Mitchem was the toast of the town after his all-round display with bat and ball saw Dorchester record their eighth victory of the season.

Electing to bat, the county town found themselves 5-2 and then 23-4 on what was decent track, with Ed Bartlett (3-24) the main destroyer.

However, Mitchem (55) found an ally in Ben Macklin (25) and they added 94 for the fifth wicket before they were both dismissed by Ollie Woodruff (2-16) within a run of each other. With Spencer Naylor and Harrison Bowles also bragging braces, Dorchester were dismissed for a below par 158 all out.

Things didn't look good as Coin Randall (16) and George Bartlett (11) added 39 for the first wicket before Mitchem struck with the ball. He took 6-18 in his 10 overs as Wimborne slumped to 68-7, and only a late rally from Bartlett (23) saw them reach three figures.

Whilst delighted with his performance Mitchem was quick to praise the Dorchester bowlers, particularly Jack Walklett (0-17) and James Dunham (1-19).

"Jack bowled beautifully in tandem with me and on another day would have taken a few wickets himself. However his accuracy allowed me to attack at the other end, whilst James Dunham also produced another superb performance."

"In fact all our bowlers deserve recognition, because none of them conceded much at all."

"I've said it before, that we have strength in depth in our bowling; Dan Belt didn't even bowl; and have one of the best, if not the best bowling attack in the league."

"Unfortunately our batting let us down with not enough applying themselves to the job. At 140 off 40 overs I was hoping for something near 200 on what was a decent wicket."

**STALBRIDGE (19) 246-9 BEAT MARTINSTOWN (12) 244-8 BY TWO RUNS**

MARTINSTOWN just failed to secure victory at Stalbridge although a healthy losing 12 points ensures their Premier Division status next season.

Ed Nichols stood down as captain for the day to allow Sam Kershaw to lead the side and he got his first decision right by winning the toss and inserting the hosts.

Mike Kennedy-Barnard then produced his most potent bowling display of the season by reducing Stalbridge to 49-4 as he claimed 4-21 from his 10 overs bowling straight through.

However opener Stuart Sweatman proved the stumbling block with a superb 113 and aided by George Coleman (4), the hosts went on to reach 246-9 from their 50 overs, with Tony Jacobs bagging a brace and Nichols, giving himself a rest from behind the timbers, also taking a wicket.

Opener Sean Williams kept one end occupied as he produced a solid 55, and with support from Mike Payne (15), Nichols (19), Kershaw (20) and Teddy Andrews (53) following up last week's half

century with another one.

Victory looked a possibility at 201-3, but Andrews dismissal was the first of five wickets lost for just 23 runs.

Big hitting Matt Camp and Jack Kane (8\*) looked to finish it, and needing 10 to win from the final three balls.

Camp smashed the first one for six. He left the next one looking to finish with a final ball four, but failed to find the boundary and was run out two short.

**County Division One HAMWORTHY RECREATION (19) 164-9 BEAT CATTISTOCK (7) 161 ALL OUT BY ONE WICKET**

THIS is a game perhaps Cattistock should have won.

With four players held up in traffic en-route, including opening bat Martin Langford and acting captain Brad Damen, Liam Toohill won the toss and decided to bat, promoting Billy Browning to open with him.

Toohill (4) went early, but Browning dug in, facing 104 balls for his 21 runs.

Billy Wallbridge (22), Brad Johns (38) and an unbeaten 40 from Steve Tucker swelled the total as Cattistock were dismissed for 161 with two balls left.

After a bright start in reply with Peter Hoar (14) and Sean Mulley (18) putting on 38, wickets tumbled regularly with Damen (3-18), Langford (3-40) and Sam Baker (2-29) responsible.

At 132-9 it seemed that Cattistock were in the driving seat especially as last man Tim Martin came to the wicket with a dislocated finger attempting a catch when in the field.

However, he and Matthew Avery (48\*) carried Rec to victory with Martin (13\*) hitting the winning runs with two overs to spare.

**WIMBORNE & COLEHILL 2ND (19) 181-5 BEAT WEYMOUTH (9) 180 ALL OUT BY FIVE WICKETS**

WEYMOUTH were beaten by one run in a thrilling finish at Wimborne & Colehill 2nds.

Looking for their first win since June 24th and chasing 182 for victory, they fell just two short with nine balls left despite a solid 59 from Harry Mitchell and useful contributions from Dom Webb (22), Dave Pearce (36) and Jack Sapsworth (14).

**County Division Two PORTLAND RED TRIANGLE (20) 75-1 BEAT STALBRIDGE 2ND (0) 74 ALL OUT BY 9 WICKETS**

THIS victory and Blandford's defeat at Shillingstone, almost assures PRT of promotion to Division One.

Certainly victory or a close defeat when the two meet this Saturday would confirm it, and with leaders Compton House visiting for the last game of the season, the ball is in Portland's court.

This game did not appear so easy as Stalbridge reached 51-1 before Simon Barrett (5-7) completed a "fifer" and Rich Samuels picked up two wickets without conceding in his one over to see them capitulate to 74 all out.

They must have not been so confident in the reply either as Ray Emery was dismissed in the opening over, a maiden.

However, Simon Proffitt once

again clicked into gear with an unbeaten 55 off just 21 balls whilst skipper Matt Randall (14\*) watched from the other end as they cruised to victory.

**County Division Three BEAMINSTER (20) 64-1 BEAT DORCHESTER 2ND (0) 63 ALL OUT BY NINE WICKETS**

BEAMINSTER completed their eighth win in a row after a comprehensive nine wicket victory against local promotion rivals Dorchester 2nds.

After winning the toss all of the Beaminster bowlers took wickets as Dorchester 2nds were skittled out for just 63 in 32 overs.

Opening bowlers Dave Persey (2-21) and Nick Hollely (1-11) both took wickets in their opening spells to reduce the visitors to 5-2.

First change bowlers Simon Jones (2-8) and Beaminster skipper Ross Baker (3-10) continued to apply pressure by giving the batsmen nothing to hit and with Dorchester failing to build any significant partnerships, wickets

■ **TOP KNOCK** : Nick Voss struck a dozen boundaries in his 94 for Charlton Down

continued to fall.

The introduction of Will Moss (2-2-10) and return of Persey to take the final wicket saw the county town dismissed for just 63.

The fielding was superb throughout particularly a diving catch from Chris Park to remove visiting skipper Mike Peak.

Although Beaminster lost a wicket in the first over, Ross Baker (35 not out) and Simon Jones (21 not out) shared a 60 run unbeaten partnership to win the game in style.

Beaminster have now moved into second place in the table and face Hamworthy 2nds away next week with just two games to go.

**CHARLTON DOWN (20) 200-4 BEAT DORSET INDIAN TIGERS (9) 192 ALL OUT BY SIX WICKETS**

CHARLTON Down made it a "Bakers dozen" in victories with their closest game of the season and became the only unbeaten team in the Dorset Leagues after Bere Regis lost, although a very talented Dorset Indian Tigers team ran them close.

Down were invited to bat on a damp wicket which was offering lots of encouragement to the Indian opening bowlers.

Nick Voss and Jae Miller batted

cautiously seeing off the dangerous bowling of Saeed Khan (1-17) only scoring 66 off 22 overs.

But they then cashed on their hard work and accelerated the run rate against the change bowlers; the century partnership coming in the 28th over.

It wasn't until the 35th over that the returning Saeed Khan bowled Miller (64) to end his two hour stay at the crease with the score on 140-1.

Voss took over from Miller as the aggressor, driving and pulling the ball to all parts of the ground before he was eventually out after 2½ hours for a fine 94 (8x4, 4x6) in the penultimate over with the score on 200-4.

The visitors decided to attack from ball one, 17 runs coming from the first two overs. But James Pretty and Matt Stevens struck to leave them 31-2.

With Pretty (2-34) trapping the impressive Saeed Khan for a swashbuckling 25 and the ever-green Rich Gagny (2-23) picking up a brace alongside 15-year-old Ollie Davies, unlucky not to pick up a wicket on his first team debut, the Indians replied looked to be falling apart at 84-5.

However, the big hitting Shafiq Uria decided to smash a quickfire 52 and bring the Tigers back into the game before being bowled by Javed Gill (1-14) with the score on 137-6, but Voss (2-31) turned the game back towards the hosts taking two quick wickets to leave the score on 145-8.

With the daunting task of 55 runs still required from 10 overs, captain Ashish Sharma crashed 28 runs to see his team on the brink of victory before the returning Matt Stevens had him caught.

The Tigers remained favourites needing eight runs from five overs, but it was Matt Stevens (3-18) again who delivered the winning ball bowling Tyson Luiz (13) and snatch the victory for Charlton Down and keep their unbeaten run for the season alive with two matches remaining.

**County Division Four ABBOTSBURY (19) 171 ALL OUT BEAT CERNE VALLEY 2ND (8) 137 ALL OUT BY 34 RUNS**

SIMON Pengelly was run out one run short of his century as Abbotsbury defeated bottom side Cerne Valley 2nds by 34 runs.

The Swans captain had useful support from Simon Allen (26), Ashley Harrow (14) and Kynan Brian (10) as they reached 157-2, but the tail folded under the bowling of Matt Longley (4-14) as they were dismissed for 171 all out.

Whilst eight visiting batsmen got into double figures no one could get on top of Krishnan Subramanian (3-20) or Allen (3-26) and they were finally dismissed with four balls remaining.

**PUDDLETOWN (20) 182-8 BEAT ROYAL CHALLENGERS SPORTS (4) 60 ALL OUT BY 122 RUNS**

THIS comfortable win against depleted opponents saw Puddletown move up to second place, equal on points with Shaftesbury who remain top due to their win against the villagers earlier in the season in addition to having one more win in total to date.

Some tight bowling restricted the hosts scoring when they batted, but Lucas Allen (67) held firm, and together with Tim Or-

ford (22) and skipper Adam Barrett (45) they gradually increased the scoring rate to post a challenging total 182-9, albeit accompanied by a steady fall of wickets.

Joby Matthew (5-34) was the best of The Challengers' bowlers, although the opening pair of Jiju (8-0-24-0) and Eldho John (8-1-20-2) were also impressive.

The visitors' innings never really got going, and wickets fell in a steady stream with only Eldho Alias reaching double figures (23) against a very disciplined home attack with Adam Weir (6-2-8-3) and Laurie Stevens (6-0-14-3) the pick of the bowlers.

Puddletown visit Cerne Valley 2nds on Saturday, before what promises to be a title decider against Shaftesbury at home the following week, although Corfe Mullen, who are currently in third place, cannot be discounted as yet.

**County Division Five MARTINSTOWN 2ND (5) 113 ALL OUT LOST TO WITCHAMPTON 2ND (19) 115-6 BY 4 WICKETS**

DESPITE a superb bowling display from Finlay Williams who took 5-24 from six overs, Martinstown 2nds were unable to avoid defeat.

Asked to bat at Lower Ashton Farm, only Paul Danbury (43) was able to get on top of the home bowlers, as the hosts were dismissed for just 113 all out.

An opening first wicket response of 56 set the visitors up for victory although Williams made them work hard for their success.

**BROADSTONE 3RD (20) 232-5 BEAT PORTLAND RED TRIANGLE 2ND (4) 114 ALL OUT BY 118 RUNS**

BROADSTONE proved too strong for Triangle's 2nds whose season has fallen away after a bright start.

The hosts elected to bat and openers Tim Lanham (73) and Ian Fletcher (58) put on a centry stand before Pat McCallister (44) helped himself to a few.

Although Jack Marsh (3-38) grabbed a couple of late wickets, Broadstone set the Islanders 233 to win.

Despite valiant efforts from Tom Dalkins (25) and Ollie Whisker (43) nobody else contributed many and the PRT were dismissed for a meagre 114 all out.

**County Division Six SYMENE (-40) SCRATCHED BERE REGIS (20)**

**Readers Mid-Wessex League Division One BROADWINDSOR (7) V QUEEN**

**CAMEL (7) - MATCH ABANDONED** PERSISTENT rain that began soon after play started saw the game abandoned with Broadwindsor 15-1.

**Top batting performances:** Simon Pengelly (Abbotsbury) 99; Nick Voss (Charlton Down) 94; Lucas Allen (Puddletown) 67; Jae Miller (Charlton Down) 64; Harry Mitchell (Weymouth) 59; Simon Proffitt (Portland Red Triangle) 55\*

**Top bowling performances:** Simon Mitchem (Dorchester) 6-18; Simon Barrett (Portland Red Triangle) 5-7; Finlay Williams (Martinstown 2nds) 5-24; Mike Kennedy-Barnard (Martinstown) 4-21.

# Former Magpie Wood signs for Bees

BRIDPORT manager Adam Fricker has confirmed that midfielder Ben Wood has signed dual registration forms with the club.

The 27-year-old is in his third spell with Evo-Stik Division One South & West side Bideford.

Having missed a lot of the pre-season the Robins have told him he needs match fitness and he approached Fricker in order to get match fit.

Wood, who has a long throw, had a spell with Dorchester Town, joining last summer, but was released in February following the appointment of new manager Craig Laird and returned once again to Bideford for whom he made over 200 appearances.

Fricker told *View Sport*: "We tried to sign him but he was keen to play Southern League football, so when he asked about signing dual forms I was delighted."

"He will make his debut on Tonight (Wednesday) against WELLINGTON providing the paperwork has been completed."

## Off colour Bees take a drubbing

**Bridport 1 Willand Rovers 5**

*Toolstation Western League Premier - att; 133*  
THIS game hinged on a five minute spell either side of half time which led to Bridport tasting defeat for the first time this season.

Until then both sides had cancelled each other out in what was a drab and unexciting affair with just three efforts on goal; a long range shot from Rovers captain Brett Worby that cleared the bar, a similar effort from the corner of the penalty area from Ed Butcher, and Cameron Andrews glancing header from Andy Martin that went wide.

Then on 42 minutes, with the advantage of the strong breeze behind him, Rovers keeper Mike Searle launched a long kick reaching the Bees penalty box. Both Ryan Hayer and Alan Hill went for the clearance which was nodded into the path of James Blake who picked his spot from 12 yards.

This instigated a series of frenzied attacks by the visitors who went for Bridport's jugular. Glenn Gould fired just wide and Jason Hutchings was forced to save down at his left hand post from Brad Ausden.

Josh Searle then fired just wide from 25 yards be-

fore the equally effective Luke Alden picked the ball up on the halfway line and ran forward unopposed to crash a 20 yard past the helpless Hutchings two minutes into first half added time, to give Willand a slightly flattering two goal interval lead.

The Bees, who were missing five regular squad players, appeared determined at reducing the deficit at the start of the second half and but for a magnificent save from Searle would have been back in it two minutes after the break.

Martin's 35-yard free kick looked destined for the net particularly as it took a deflection off a shoulder, but Searle reacted superbly to turn it away for a corner.

A goal then could have turned the game back Bridport's way, but Willand immediately went on the attack and Hutchings was forced into a brilliant double save; turning away Blake's header before parrying Adam Hill's close range follow up.

Bridport appealed for a penalty when Richard Hebditch, the one shining light in the Bees ranks, was brought to ground as he cut in from the right, before Rovers sealed the game with a third on 53 minutes when Ausden ran through the middle and beat the advancing Hutchings.

Bridport responded with another long range free kick from Martin that cleared the far upright, and a rasping shot from Butcher that stung Searle's hands, before Hutchings spectacularly turned Worby's close range volley over the top.

Hebditch gave the Bees a glimmer of hope on 70 minutes with a delightful goal. Mark Salter cut in from the left before laying the ball off to the former Beaminstor player who made room before squeezing a low curling shot that clipped the upright on its way into the net.

The game swayed back and forth as both sides looked to consolidate their position, but it was the visitors that won the battle; substitute Luke Mortimore taking the ball on his chest and weaving past two defenders before slipping it past Hutchings.

Two minutes from time Alden netted again past the bewildered Hutchings to complete the rout.

Bridport manager Adam Fricker admitted his side weren't at the races, he said: "We knew it would be tough with six missing and Braeden Symes played for 55 minutes with a sickness bug, but we still had a half decent side."

"It's the manner of the defeat that is disappointing; we got what we deserved; nothing!

## Ressies still pointless

**Mere Town 2 Bridport Reserves 0**

BRIDPORT Reserves are still looking for their first Dorset Premier league point of the season after a 2-0 defeat at Mere Town on Saturday.

The Moonrakers took the lead on 34 minutes through Jo Patterson who was then sent off seven minutes into the second half.

However, the Bees couldn't make the man advantage count and conceded a second goal from Jack Twyford just after the hour.

The Ressies opened their season with a 3-1 home defeat to Sturminster Newton United, sub Nick Paull netted the consolation.

## Local pair crash out

PERRY Street League Division One duo **Waytown Hounds** and **Uplyme**'s interest in this season's Chard Hospital cup ended with quarter final defeats on Monday evening.

The Hounds were hammered 5-0 at their Netherbury home by a Perry Street Reserves team who have returned to the PSDL after a season in the Yeovil & District League.

Up at Lightgate Lane Uplyme bowed out beaten 3-1 by Division Two side Thorncombe with just a James Souter-Phillips penalty to show for their efforts.

## Barnstaple barrier up next for Bees

**Bridport 3 Street 1**  
*FA Cup Preliminary – att; 210*  
BRIDPORT bounced back from their midweek defeat by Willand to produce a superb performance to overcome bogey side Street.

The win takes them into the FA Cup First Qualifying Round where they will entertain Evo-Stik South Division One side Barnstaple Town at St Mary's on September 2nd.

The Bees showed no sign of feeling sorry for themselves, and with Leigh Bailey and Tom Richardson back in the side, they were worthy winners against the Cobblers who have started their Toolstation Western League Premier season with two wins, scoring seven goals.

With captain Ryan Hayter away at a wedding, manager Adam Fricker shuffled his squad with Bailey dropping into the heart of the defence, and

**Stuart Broom**

Reporter  
broom2006@brinternet.net

Richardson playing a central mid-field role alongside Braeden Symes, now recovered from his midweek sickness.

Both sides started off at a pace with Bridport first to show when Richardson struck the crossbar with a header. A minute later it was keeper Jason Hutchings in action at the other end tipping a terrific Craig Herrod volley over the bar.

Ed Butcher then had Street keeper Tom Punchard at full stretch on 25 minutes to deal with his 25-yard effort.

Three minutes later Bridport went ahead. Richardson chased the ball down into the corner before whipping in a cross to the far post where former Cobbler Mark Salter had arrived between two defenders to head home.

Salter almost added a second but couldn't quite get on the end of a good Bees move, before Andy Martin got back to clear a potential goal chance.

Street equalised six minutes before the break from a ball over the top of Alan Hill who was struggling to recover having twisted his ankle that eventually forced him to be replaced at half time. Herrod's initial effort was parried by Hutchings, but Harry Foster was on hand to fire home the rebound.

The dangerous Herrod fired just wide of the far post at the start of the second half, before Salter rubbed salt into the wounds of his former club on the hour, getting across his marker to stab home Martin's free kick.

Street threw everything at Bridport, but the whole team stood firm.

They might have got an equaliser on the stroke of normal time but Martin headed off the line at the expense of a corner.

The visitors gambled and sent keeper Punchard up for the attack, but when the ball was cleared he was left stranded, and substitute Dec Cornish, a former Yeovil Town youth player signed in the summer, raced clear and carefully fired the ball home from 30 yards to ensure victory.

Fricker said: "It was quite an evenly matched game but I don't think anyone can argue we didn't deserve the victory; we were just solid throughout. I couldn't have been more proud of them."

"Despite a lot of second half pressure, our back four were outstanding and they never gave Steve Murray a sniff."
